Dear Mr. Mbengue:

Our review of your FAA medical application has established that you are eligible for a first-class medical certificate.

We are enclosing a corrected first-class medical certificate. This certificate supersedes any previously issued certificates.

You are cautioned to abide by Title 14 of the CFR's, Section 61.53, relating to operations during medical deficiency. Operation of aircraft is prohibited at any time new symptoms or adverse changes occur in your health status.

WARNING: You are cautioned to abide by Title 14 of the Code of Federal Regulations (CFR) part 67.403 pertaining to falsification, you are required to answer "YES" to any positive answers listed under item 17, 18 (a-y) and 19, specifically to item(s) 18W & 18V; and report on all future medical applications.

You are cautioned to answer all items accurately and completely, specifically to item(s) 16, 17, 18 (a-y), and 19, specifically to item(s) 18W & 18V; with detailed explanations for any "YES" answers on all future applications.

Use of the above reference numbers on future correspondence and/or reports will aid us in locating your file.

Sincerely,

David M. O'Brien for

David M. O'Brien, MD, MPH
Manager, Aerospace Medical Certification Division
Civil Aerospace Medical Institute

Enclosure: Medical Certificate
